

Physics Study Group Invitation

Join us for extra physics reviews.
Winter Quarter 2010-2

We are offering the physics study group that will focus on deeper understanding of theory rather than the practice of problems.

You can get help with any topics from College Physics I, II, and III and University Physics I, II, and III.

The sessions will be conducted by one of the Physics Tutors from Academic Support Center.

When: Tuesdays and Thursdays from 5 pm to 7 pm
(Mondays and Wednesdays to be added in the future)

Where: James E. Gleason Hall (Bldg 9) room 1001 (Fish Bowl)

All Physics Students are welcome.
